

“Make no mistake about it: The Department of Labor (DOL) is back in the enforcement business.”

- Hilda Solis, U.S. Labor Secretary

Human Resources: Are You At Risk?

- Are your administrative jobs improperly classified as “exempt” under current FSLA laws?
- Will your personnel files survive an audit?
- Are you misclassifying W2 employees as 1099’s?
- Do you properly document and provide notification about required leaves of absence?
- Are your employees classified correctly as to overtime status?
- Do you complete and store I-9 documents per government requirements?
- Do you post required posters and brochures?
- Do you have OSHA safety requirements in place?
